The Mag Leather case is the perfect protection for your phone. Made from durable TPU and PU leather, it forms a reinforced structure that shields your smartphone from drops and scratches. The interior of the case is covered with high-quality microfiber, providing additional protection against scratches on the back of the phone.

Compatible with MagSafe technology, it enables seamless wireless charging. The case features a hidden magnetic ring, ensuring a stable connection with other devices. Precise metal buttons allow for convenient use of all functions.

The case does not add bulk to the phone, fitting perfectly and comfortably in hand.
