

CASES SMART CLASSIC

Smart Classic case is an elegant and functional cover made from high-quality material that mimics natural leather. The matte black case adds a tasteful appearance while effectively protecting the phone from scratches, shocks, and other damages.

The interior of the case features three meticulously stitched card pockets, allowing users to store essential documents in one place. An additional layer of security is provided by a magnet placed in the flap, effectively preventing the case from accidentally opening.

Precise cutouts in the case ensure easy access to all necessary ports without compromising the phone's functionality. Three exterior openings enable users to conduct conversations without having to open the cover, making usage convenient and practical. The Smart Classic case combines style with protection, offering a comprehensive solution for smartphone users.
