

WIRELESS MAGNETIC CAR HOLDER

MXCH-16

OEM0002447

Magnetic car holder is a reliable companion for travel. It securely holds your phone and provides wireless charging.

Mounting the phone is done using a magnet; simply place the phone on the holder. It is compatible with MagSafe technology and features 15W fast charging. A strong magnet ensures the phone remains securely held regardless of travel conditions.

The holder offers full 360-degree rotation, allowing for convenient navigation use.
